### Principals' Report

Todd Lane: Ms. Feragotti

Center Grange: Mrs. Kosanovich- call sent out saying remote learning will be 12/1-11. Remote learning change is based on community spread, not within our school. I commend all the kids for their help with masks, bubble space, and handling this so well. Some activities on hold, thank you for your patience; this has been hard for everyone, we want the kids in school. Thank you for the science center presentation; it was good, but may not have been worth the amount of money that was spent. The students were attentive, so that is something that counts. We will get updates out as soon as we get them.

### Committee Reports

#### Children's Programs: Laura Crawley

11/13 was Solar Quest with the science center, no streaming issues that we heard about. We have a second program planned for December. It is set up as a live stream so we may be able to keep the December program as organized. Looking for more programs- possibly an exercise based stream or scavenger hunt.
